

September 18, 2008 10 am-4 pm EST

***FREE Indiana Brownfields Program/U.S. EPA Workshop
- program updates and assistance for preparing
U.S.EPA grant proposals***

Indiana Government Center South, Conference Room 19,
Indianapolis, IN

The workshop is free, but registration is recommended.
Email Susan Tynes Harrington at sharrington@ifa.IN.gov or
317-233-1504 with your intentions and contact information.

There will be something for everyone to learn– those new to
the world of brownfields and those seasoned stakeholders.
Even if you've applied for state and/or federal funding in the
past, come learn about important changes!

Tentative Agenda:

- Brownfield Basics
- State Tools & Program Updates
- Federal Tools & U.S. EPA Grant Proposal Updates
- State Support Letters
- Grant Writing Tips
- Strategic Visioning and Planning

Presentations by:

- Indiana Brownfields Program
- U.S. EPA Region 5
- Technical Assistance to Brownfields, Kansas State University, Center for Hazardous Substance Research
- Engaging Solutions, LLC
